

Revision in Rail Haulage

Date: 22.04.2022

Dear Customer,

This advisory is being published based on the circular issued by Ministry of Railways, New Delhi on 21st April 2022. As per the circular, rail haulage is increasing by **5%** for movement of laden containers and by **10%** for movement of Empty containers. effective 01st May 2022.

At Adani logistics Services Private Limited, we are continuously striving to be most efficient and valuable business partner to our customers. In our endeavor to constantly provide you better service, we have revised our **Rail Haulage Tariff** for all our facilities effective 01st May 2022.

Date of Implementation: 01st May 2022

Applicability: charges will be applicable to all the containers with effective rail-out date 01st May 2022 onwards.

Please reach out to your Account Manager if any further clarification is required on the above.
