Dahej.

Subject: Trade Notice No.5 – Mooring time for berthing.

Dear Team,

It has been observed on many occasions that mooring time taken by vessels is exceptionally high than the industry established standards. This results in lowering of berth productivity and excessive running of resources. Further high mooring time results in delays to vessels waiting at anchor.

Vessels calling Adani Petronet (Dahej) Port Ltd will be provided 1H20M to make fast her lines. In case if vessel takes more than 1H20M to make fast her lines, tug assistance and pilot attendance charge will be charged as per issued Berthing Policy and Tariff Structure for mooring time above 1H 20M. Kindly brief vessels calling under your agency on the same.

For, Adani Petronet (Dahej) Port Ltd

Best Regards,

Capt. Pankaj Kumar Singh
Head – Marine Services & PFSO,
