Subject: Amendment in Mooring charges and Sustainability charges at Kattupalli Port

Dear Sirs,

MIDPL Kattupalli Port is always dedicated to deliver best in class services for customers and stakeholders on a continuous basis and has been trusted partner to all stakeholders and merits the deep-rooted partnership with all valued clients. The port on regular basis keeps on reviewing and revising the tariff structure on half-yearly basis.

Kattupalli port is moving towards a Green Sustainable Port which attempts to reduce its carbon footprint, waste and pollution, and enhance biodiversity by employing sustainable practices in port and the strategies including activities that Kattupalli port undertakes to meet current and future needs of those who use it, while protecting and sustaining human and natural resources ensuring smooth global trade by sea.

In order to contribute to a greener future and support sustainable initiatives, Port is introducing Sustainability charges applicable wef 1st Oct 2023.

Also Mooring charges have been revised as per below table.

The details of the applicable charges are listed below. The revised charges will be applicable with effect from 1st Oct 2023.

| Marine Services | UOM | Existing Tariff | Revised Tariff | Remark |
|------------------------|----------------|-----------------|----------------|------------------------|
| | | Rate (USD) | New Rate (USD) | |
| Mooring Charges | Per GT per VCN | USD 0.0350 | USD 0.0410 | Minimum Charges \$ 210 |
| Sustainability charges | Per GT per VCN | - | USD 0.030 | Minimum Charges \$ 200 |

Above is for your information and further circulation please.

Best Regards.
