Subject: Precautions and Recommended actions in context of Novel Corona Virus

Please follow below mentioned precautions & guidelines to prevent Novel corona virus spread.

1. Vessel Inward Clearance will be issued explicitly after PHO (Port Health Officer) clearance and port discretion after assessing vessel's crew health parameters.
2. Ship's crew not to disembark from any vessel without port permission and clearance from immigration.
3. Suspected vessels under pilotage to minimize their interaction with pilots, minimum people should be on bridge expediting essential navigating duties only and ensure PPE is donned by all on bridge engaged in maneuvering. In use areas, pilot passing areas are disinfected thoroughly prior pilot boarding as per inforce advisory.
4. Repatriation from any vessel is not permitted without clearance from immigration. Emergency cases will be considered however with approval from Immigration and Health authorities.
5. Garbage disposal for all suspected vessels at SPM, berths or at anchor is put under restraint.
6. Vessel Visits by visitors, stakeholder representatives, inspectors, auditors, officials etc. to be avoided.
7. Provision/stores/Bunker/Fresh Water supplies for suspected vessels are allowed only at anchor provided there is no human contact (person to person). Approvals will be granted after due diligence and clearance from health authorities.
8. Agency / Stevedores / Service providers / Internal SBU's / officials to minimize their exposure and interaction to ships by allocating minimum number of people for visiting ships for essential services only.
9. Agency / Stevedores / Service providers / Officials / Internal SBU's / officials should adopt best practises for maintaining personal hygiene by washing hands often and adherence to WHO (World Health Organization) COVID19 prevention guidelines.
10. Agency representatives / stevedores / Service providers/Officials are advised to carry their own PPE while visiting suspected vessels i.e. hand gloves, face mask, sanitizer, and disposable bags.

Please inform all stakeholders and ships calling Mundra Port under your agency for necessary compliance.
